SANITARY LANDFILL

A BIBLIOGRAPHY

by R. L. STEINER and RENEE KANTZ

This search was supported by a research grant (No. IR01-UI-00516-02) from the Solid Wastes Program to the Drexel Institute of Technology, Philadelphia, Pennsylvania. The present publication (SW-4) is published as received from the Insitute. It is a revised edition of the bibliography (Series I, Number 2) by B. A. Begg published by Drexel Institute in January 1967, and partially supported by a grant from the Solid Wastes Program.
